# TOP FLITE LOGISTICS, INC.

**CORPORATE CAPABILITY STATEMENT**

DIVERSIFIED GOVERNMENT & COMMERCIAL SERVICES

## MISSION-DRIVEN. ACCOUNTABLE. ADAPTABLE.

Top Flite Logistics is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing qualified personnel, managed operational support, and contract-specific services to government agencies and commercial clients. We support prime contractors with organized teams and pursue direct awards aligned with our capabilities and qualified partners.

### 01 WORKFORCE & STAFFING

Qualified personnel for mission requirements, including project managers, supervisors, operational specialists, forklift operators, and field teams. Staffing can be embedded under prime oversight or organized as managed teams.

### 02 PROJECT & OPERATIONS

Project management, operational coordination, workforce scheduling, site supervision, resource tracking, timekeeping, reporting, and subcontractor execution support.

### 03 EQUIPMENT & FACILITIES

Contracting focus on preventive maintenance checks and services (PMCS), equipment inspections, maintenance coordination, and institutional or commercial equipment support through qualified resources.

### 04 PROCUREMENT & SUPPLY

Developing offerings for equipment and materials sourcing, industrial supplies, vendor coordination, purchasing support, and product resale based on solicitation needs.

## WHY TOP FLITE

- **Structured teams:** Supervision, accountability and reporting under one delivery model.
- **Veteran-led execution:** Leadership shaped by complex operations and changing requirements.
- **Flexible engagement:** Individual specialists, managed teams, or subcontractor support.

## LEADERSHIP & EXPERIENCE

Founded by Roger Roberts, a retired U.S. Army / National Guard logistics and operations leader with approximately 15 years of service and an MBA in Logistics from Rowan University. His background includes emergency response, resource coordination, complex project execution, and senior civilian operations leadership.
